

The Puffin Trust

Supporting research into problems in pregnancy

Detailed anomaly scan course Royal Jubilee Maternity Hospital Friday 3rd April 2020

The Puffin Trust will hold a practical scan course on this subject.

There will be minimal lectures and maximum **hands-on experience**.

This is a full day event.

You will have hands-on training in the morning and afternoon followed by a short assessment.

You will be taught by experienced Sonographers

This course is open to Obstetric Trainees from ST3 to ST7 only.

Course Fee: £295.

To book your place, please email: Nicola-Ann.Henderson@southerntrust.hscni.net

Please do not send any payment until your place is confirmed.
